### CHAPTER I GENERAL PROVISIONS

**Article 1 (Purpose)** The purpose of this Act is to prescribe matters necessary for the scope, administration and management of public procurement services to ensure the fair and efficient performance thereof.

**Article 6 (Encouragement of Social Responsibilities)** In order to encourage social responsibilities of enterprises, the Administrator of the Public Procurement Service may reflect the social and environmental value, such as the environment, human rights, labor, employment, fair trade, and consumer protection, in the procurement procedures.
